ContinenceCare for Kiwis

Through our experience working as Registered Nurses with continence and care-related issues we saw the potential for better products for Kiwis, and so ContinenceCare was born.

We now serve thousands of New Zealanders with our specialist discreet incontinence product home delivery service. Our commitment to quality is evident in the trusted brands we stock:

New Zealand's Incontinence Specialists

At ContinenceCare we specialise in incontinence products. It's what we do, and it's our core focus, so you can rest assured that when you use our products, you have a passionate team of experts supporting you every step of the way towards a healthier lifestyle.

Funding Support & Disability Allowances

Whether incontinence products are needed for a short time, while following a treatment plan or be needed long-term, you may be eligible for funded products from your local DHB or ACC.

If you have an ongoing need for continence products, funding for these may be available through the **Disability Allowance** which is administered by Work and Income.

Contact our supportive and knowledgeable team today to find out more.
